## KRAGTWIJK

FINEST FOOD

Kragtwijk Finest Food has been supplying delicious and healthy meals to major airlines and caterers under the Langerhuize brand for more than 25 years. We offer a wide range of economical and premium meal options. Everything is freshly prepared in our own kitchens and bakery, all under strict supervision of The Rabbinate of Amsterdam.

This year we present our brand new glutenfree meals, produced in our certified gluten-free kitchen. All menu's in this brochure are produced in-house and delivered frozen.

Kragtwijk Finest Food is a certified producer of gluten-free meal solutions. We have developed a brand new selection of meals unique to the airline industry. We are proud to meet the highest standards of the Association of European Coeliac Societies (AOECS) and to be allowed to use the internationally recognized "crossed grain trademark". Only the best will do. All products are available in a luxury menu box or on a disposable cardboard tray.
